“ Mark was a friend, hunting buddy and a person who enjoyed nature and the woods. He was a member of the Radzibon camp for many years. his contributions at camp and his company will be greatly missed, He and Theresa always spent a long weekend getaway at the camp in the fall. We always kidded him about his annual fall "honeymoons" with her. While I never had the chance to fish with him we spent many hunting seasons. Mark, you will be greatly missed by your up north friends. God Bless you and rest in peace.
