“ Mom, I am going to miss you so much! You were an inspiration to me, my children and my grandchildren. I know that your suffering has ended and you are an angel watching over all of us. Please let Dad know in your angelic ministry that you are at peace and are with him all the time. As I told you many times, Mom, you were the best friend that I could ever have. It is going to be hard not hearing your voice but your soul lives within all of us. We are who we are because of you! Love, Susan
