“ Dear Helias family you have my sympathy for the lost of your loved one. some may think that Ms. Helias lived a long life by todays standards. Even the Bible says that "our years are seventy,or because of special mightiness they are eighty" (Psalms 90:10) That is why God is going to end death foever. (Revelation 21:3,4) If you would like to know more go to jw.org.com official website.

“ After over a week of her passing this is the first time I was able to read her obituary ..It still seems so unreal. I am Mary's great-granddaughter and I was blessed to have such an amazing woman in my life for 19 years... Although she was elderly, she seemed so invincible- we all knew her time clock was ticking.. but she kept fighting and gave the entire family and I a lot of hope.. Her last few months spent with us brought us all closer together, and encouraged us to cherish the last memories we would've been making. Although I am a teenager, I made sure to make effort to see her whenever I was in town from college.. I know how much her visitors meant to her, as well as her family. She will always be my favorite person in the entire world.. Thank you all for your condolences- I am blessed to have came from such a loving, caring, honest, and genuine person. She will never be forgotten, rest in peace grandma Mary.
xoxo, Haley Mari!

“ My deepest sympathy for your loss. It is a struggle to adjust when we miss someone so much. In the difficult days ahead I hope you will be able to find comfort in the promises preserved in God's Word. Our loving creator Jehovah feels the pain of our losses as we do and has promised to undo the sorrow death causes through his loving son Jesus Christ. (Rev. 21:4,5; John 5:28,29) Jesus said we would one day see our loved ones again in a beautiful paradise earth where there is no sickness, pain or death. (Matt 6:9,10). Until that time, may you find joy in the many memories you have. My prayers are with you.

“ To the Helias Family,
Tho' I had never met your mother, she was a kind friend to my mom, at the Woodlands. My mother thought a lot of her, and often talked about their chats... Mom has the beginnings of dementia and often forgets things, but she always talked sweetly about her friend "Little Mary"... I thank your mom for that friendship, that meant so much to my mom... Our deepest thoughts and prayers are with you all, at this sad and difficult time... May God Bless You... Rest in Peace "Little Mary".

Respectfully,
