“ Mikey, your mom is such a beautiful soul - how lucky we were to have her as an aunt. I will never forget her amazing gardening skills (so many green beans!), her sweet laughter when we got to come play in the pool at your place, all the aunts puttering together in the kitchen at Christmas - or her stories (I mean, she was in a rock band that covered House of the Rising Son?!! How cool was she?). I wish I could be with you tomorrow, please know all my thoughts and love are with you. Love, Angie
