

Maud G. King

December 20, 1941 - March 13, 2025

Maud King (83) brought warmth and light into the lives of everyone she met.

Born in Sweden, Maud moved to the United States with her family at a young age. Adjusting to a new culture wasn't easy, but Maud's kind spirit and magnetic presence made it effortless for others to fall in love with her. Throughout her life, she formed many cherished friendships/bonds that remained strong to this day.

It was during her school years that Maud met the love of her life and soulmate, Dave King. The two married and spent 63 beautiful years together, building a family that became Maud's greatest pride and joy. They were blessed with two children, seven grandchildren, and three great-grandchildren — with another addition on the way. Maud often spoke about her family with pride, never missing an opportunity to share their accomplishments and milestones. To her, family was everything.

When she wasn't spending time with her loved ones, Maud enjoyed filling her days with creativity and connection. She loved drawing, painting, crafting, and taking long walks. Some of her fondest moments were spent playing mahjong with friends or enjoying peaceful coffee breaks on the porch with Dave.

Maud's presence left a lasting imprint everywhere she went. She and Dave

created beautiful memories in both Sugar Springs, Michigan, and Florida, places they held close to their hearts. The ocean, in particular, was her favorite place to find peace and reflect.

Though Maud may no longer be with us in the physical world, the love she shared transcends the distance. Her memory will live on in the hearts of those who knew her, and her remarkable influence will continue to shine as a guiding light.

She is now at peace, reunited with her beloved husband and best friend, Dave, and surrounded by the many loved ones who welcomed her home. www.dryerfuneralhomeholly.com

“ Heidi, I am so sorry about the loss of your Mom. You were a dedicated and loving daughter to her. You took care of her these last few years with a fierce protection and fighting force to keep her safe and in the best health that could be provided and was all done out of love. You and your family have been through so much but she is in heaven now with your Dad. God Bless you. Love, Lori Feucht
