No words can explain how saddened we are for your loss of Grandma Jenkins, my memories are of fond ones, the little go getter that she was and how friendly she was to everyone! She will be greatly missed. ❤️

MK

I never had the pleasure of meeting Maurine, but I heard some stories about her from my mother-in law Betty (her sister). She sounded like a wonderful person. In viewing the slide show of her life I get an idea of how much fun she was (especially the picture of her in the tree). My heartfelt sympathies are with the family.
