“ Me(Madison),Brooklyn, and Chloe really miss Meaghan. I hate when something amazing happens to me and I can't go tell my mom. One of my favorite memories was camping with her. She would always make it fun. Camping now doesn't seem as fun as before. One of Brooklyn's favourite memories: my favorite memory was when we always made pancakes on mothers day for grandma a and aunt Meaghan. One of Chloe's favorite memories: my favorite memory was going to seven lake with her. (I'm sorry, my sister doesn't really remember much because she was like 10 months old) I love you so much momma. Fly high sweet girl🕊️

“ I met you at crispellis when it opened. We were both servers. At the end of every shift, you would always hug me and say "love you baby" thank you for being so kind. Fly high sweet girl.

“ It deeply saddens me to hear this terrible news. Meaghan was one of my best friends. Even though we hadn't spoken recently over a stupid disagreement, I always figured we'd make up and just pick back up where we left off (as we always did). Friendship with Meaghan always came so naturally, it was so easy. She was one of the greatest, funniest, realest, most down to earth people I've ever known. Stacey - my heart is truly broken for you, Matt, the girls, and your entire family. If there's anything I can do, anything at all, please don't hesitate to let me know. May God wrap his healing arms around your broken hearts and give you comfort in your time of need. You are all in my thoughts and prayers. My deepest condolences.

“ Oh Meaghan... the memories I have with you. I love you so much and always have. I just can't even believe this. I know I've drifted off social media but I miss our sleep overs and you just being around. I love you and I'm praying for Mama Stacey and your baby girls. True angel in heaven - the battle is over now baby girl. Now wrap them around your babies and come to my dreams. Love always & forever, Taylor Ram.
