“ I met Mick 44 years ago, when we first moved out and started going to St.Rita's Catholic Church. We sang in the choir together, joined the Knights of Columbus together and many other things. He was a constant friend always had some good advice and always interested in the family. We miss him & always will remember him.

“ Mike had many titles while I knew him, but the best was friend. We had a lot of fun together through the years. He could be an interesting fellow at times and then a sincere chaplain at the legion. Always remember the rides to work in the Cordoba and the braided tail. God speed Mike Crick.
