“ *I haven't seen Mike in many, many years, but I still have great memories of Mike. We grew up as kids together in Davisburg-- we were in the same class starting with Kindergarten and continuing all the way through school, until we graduated together from Holly High. In all those growing-up years, I don't ever remember Mike being anything but a nice guy--I still remember his great smile and kindness to others, even as kids. My prayers are with his family and loved ones. Nansie Kinney Rice*
