“ *Every year for almost 25 years, mid November meant a trip to Michigan deer camp with my dad, John, and brother Dave to spend the week with Mike, Uncle Leon and Aunt Beulah. We weren't always successful deer hunting, but the time spent with our "Michigan" family provided some of my best memories.*

Your cousins in Ohio send prayers and hugs to your family.

“ I was sorry to hear of Mikes passing. We had so many good times and good memories we shared growing up on our Grandparents farm on Putnam Rd in Hale Michigan.

I still remember the time we were playing in the barn and a fox jumped out from the hay loft and scared us.....we went screaming into the house. Or the time we got a ride home from town on the manure spreader. Or smoking Camel cigarettes we found in the dresser that were left over from WW2. Too many good memories to list.

I'm glad we were able to get together this past winter in Sarasota. Mike you will always be in my heart.

With sympathy and prayers to your family"

“ I met Mike at respiratory therapy in Flint. I was also a patient there. He was a very nice person and I enjoyed chatting with him. I thought of him often. He will be missed. Sending condolences to his family.

I met Mike at Key West casino in Port Charlotte Florida where I worked. Mike and I both being from Michigan had a lot to talk about. Always great conversations. He will be missed by all he touched. Thoughts and prayers are with the family.
