“ 1990 mike showed me his love of fixing boats along with cars. I stuck with the boats. lots of good memories taking boats on test rides with him and his dad. Both are thought of and missed.

“ Dear Toni, Amy Katherine and family,
Mike was best friends with my brother, David Knapp, until he passed away in 1994. They both loved working on cars, that was their lives. I remember them drag racing down South Holly road at the quarter mile stretch. Mike will be missed by many, but he will be with your beloved Mother Margaret. They are happy again.
