“ *I have so many great memories of Michelle at school. At her graduation party, Michelle put her head on my shoulder to greet me even though we had not seen each other for a while. Brought such a smile to both her and I. We always loved her coordinated outfits and beautiful smile. Michelle will be missed by all.*

“ I had the pleasure of helping Michelle out when I worked for Holly schools. She was such a beautiful girl with a contagious laugh and a beautiful smile. She could be a little stinker sometimes like all kids. Michelle had a great family that cared deeply for her. I will never forget her, in my heart forever. Rest in peace sweet angel.
