“ *I have had the pleasure of knowing Nancy through the Friends of the Holly Library. We worked together at many of the Friend's functions and shared many laughs and stories. Nancy's friendly, cheerful personality always made me feel welcome and comfortable. I also remember her mother, Ada, who attended meetings and events with Nancy. Although not being able to attend meetings and events of the Friends for some time because of work, I will certainly miss her kind, friendly presence.*
