Thank you Nick for your service. We miss the days at Sandy Shore with you. Sitting around the fire and talking until late in the evening. We have the golf cart whom we have called Nick. Found why it was sputtering and got it fixed. Prayers for you and family.

“ I’m going to miss my Dad so much he was my Hero! When I had my Daughter I called him to wish him Happy Birthday and to let him know that Amber was Born on his Birthday. I loved fishing with him and talking with him about all the fish I caught and out fishing Mike. I would always call him whatever I was off the water even when it was frozen to assure him that I was safe. And then talk about all the fun stuff we did when he played softball going on camping trips with the team. We are going to miss you so much but I know that we will be together again We love you. 🥹❤️

“ Growing up, my brother had such a fun sense of humor. Sometimes, he was kind of bashful about it, but with a little coaxing, he'd do a little skit. My favorite was when he would do Jackie Gleason Honeymooners routine. During the Vietnam war, I would make little drawings for Mom to include in letters to him. Another favorite was him taking us kids to the Waterford Drive In before he left for boot camp. So many memories, I could go on and on. He was very loved, and we are all feeling his loss.
