“ I will say to her what she always reminded me, never say goodbye just SO LONG. You have left a hole that will always be there. It is a comfort knowing you are with all the others that have left but my heart is sad and a light has gone from not seeing that smile and hearing your voice. I praise God for the month I had with you this year, talking several times in a day and visiting and then late night shopping, just the two of us, laughing like we did when young girls at home. My comfort is knowing you are with Jesus and having no pain only all the beauty that heaven holds for all those that know and love the Savior that provided a place for us. I kept reminding you that last moments we had alone in hospice, I go to prepare a place for you So long Sweetheart, your big Sis will see you when He calls me also.

“ My mother was such a wonderful person. There wasn't a place, that she wouldn't go, that she didn't make a friend. She was so well loved. I have a special request, the family has ordered flowers. My Mother hated receiving flowers. She always said they reminded her of funerals. In lieu of flowers, please consider donating to Hospice. It is such a wonderful organization. They took wonderful care of my Mother. She was at, Sylvia's House, in Ocala, Florida. Thank you from the bottom of my heart. God Bless. Rest in heavenly peace mom. Love your oldest, Robin, and your son in law, Don.
