“ *Mom - So many memories of our life together, but I think some of my favorites are more recent. Just sitting outside enjoying the sunshine and hot weather, bringing you your favorite home cooked meals, being silly and breaking out in a random hokey pokey dance, with you wiggling your hips and singing "that's what it's all about! Boom boom!" Doing crafts, bingo, parties and so much more at the Oaks where you were cared for by so many big hearted people. I love you and know you loved me back and were happy and proud to call me your daughter. - Janeen*
