David and family, we are so sorry for your loss. Lisa and I have so many good memories of Norma Jean at Mission Point. We talked with her every Saturday when we did our service. “ So sorry to hear this, but she is at peace. Hope she gets to see Charlie, and they can share some good memories. Have missed your mom for so long, but one day, we, too can sit down together with the Lord, and maybe talk a little while. Love you all like family. My heart hurts with yours. God bless, and comfort each of you.

“ I spent a lot of time with this wonderful, and most gracious lady. She was easy to talk to and always made time if you needed a ear. If I had to pick just one memory I suppose it would be when we canned salmon Terry caught. It was our first time canning fish we laughed and talked. I couldn't have asked for a better mother in law. In Norma Jean's words bless her heart 🙏💕
