“ Sue was one of the sweetest people.....she had such a big heart and was always there for those she loved. We met Sue through my husband's parents....Jack and Joan Sanborn, and I enjoyed talking to her whenever we were all together. She was a dear friend to both of them....always there in time of need.....she never failed to be at the hospital whenever one of them were not well, and the love and support she gave was wonderful. I know they shared many good times together too.

Our prayers are with you all at this time....may you find comfort in knowing loved your mom was by so many.
