“ *Dear Cathy and Michael*
I am sorry to hear of your mom passing. Pat was a always a smiling face and warm welcome into your home. I have great memories of jumping into the Duster to see a movie, or playing cards all night with your family. It was great to be able to hang out with everyone. I look back and know how lucky I was to be there. My deepest sympathy on your loss.

“ *Dear Cathy and all of Pat's wonderful family,*
I am so sad to hear of Pat's passing. She was such a wonderful person - always a smile on her face and in her heart even when others might have given in to despair. It was always a pleasure to see her and she was so proud of all of you. She is much loved and will be greatly missed by all those who knew her.
