“ *Dear Bemman Family, please accept my deepest sympathies. I was terribly sadden to hear of Paul's passing, and in the short time I've known him, he has shown great courage and strength with a truly brave soul. I will always have fond memories of him because even in the midst of his adversity....every time I saw him he was always very kind and gracious to me. May God bless and comfort you keeping all of you in his loving embrace. All my love and prayers, Cheryl Kelsey*

“ Bonnie, so sorry to hear about your loss. I was a former member of the woodturners club and now live in Florida. I was one of the helpers that helped build the meeting facility and always enjoyed working and talking with Paul. He was a good friend and will be missed.
