“ *Dear Barb and family, I was deeply saddened, to learn of Paul's passing. Even though our families haven't seen much, of each other, in recent years, We have many memories. from years past, of good times with you guys. One, that comes to mind, was a wild ride on the back of a snowmobile with Paul. Something I'll never forget! Praying for all of you during this difficult time, made even harder, because of this "virus", which keeps everyone from being able to pay respects and grieve in the regular manner. Please know that all of my family, will be lifting you in prayer.*

Love,
