“Pete was a constant in our lives. He lived with us almost as often as he did with his best friend Gary. We were lucky enough to get Pete back to Woodland, thanks to his big brother, David. We had a nice little service for him where he is buried right up the hill from his mother. His brother Mark read the time line, Sister-in-law Robin read the eulogy and brother David blessed the grave. Pete will be very much missed.

“I used to work with Pete at Sac County. I heard through the grapevine that he had passed, and I was saddened to hear the news. We weren't best buds or anything, but we got some work done sometimes, we talked some smack, and had some laughs together. Rest in peace, Pete.

My condolences to his family.
