“ To Phil's family...

*My deepest condolences. He used to come into Riteaid and tell me the goings on in the world! And the love he had for his niece and her career in the armed Services! He was so proud! Funny story...One day I was listening to AM 750, on my way into work, and all of a sudden I hear Phil's voice (very distinct) ?! Next time he came into the store, I asked if that was him, and sure enough, it was! Talking about a tractor he had. And he couldn't believe I heard it and knew it was him! He will be missed!*
