“ I always thought you were so..... amazing for a better lack of words and I will miss you forever! You showed me women are strong by actions not just words and you were always so clever! It was never a dull conversation and never sugar coated either! Tomato, Tomatoe, lol I will never forget the day you told me tommytoes for tomatoes I had to have been 9 and thank you for the gift of the 3rd eye its not easy to learn to tap into ourselves but I got the gift from my dads sister and your guys mom and I want to thank you for leaving me apart of you no one can have or take! I keep your lion drawing framed in my bedroom to remind me your still here through your daughter and in smell of pies or the way the wind blows, I know you are always here and I thank you for leaving an imprint on my soul! I will forever carry you on with memories of all the great times I had with you and the not so great times when you were there for my sister's, your brother (my dad) and !! YOU WILL NEVER BE FORGOTTEN!  
I LOVE YOU!  
Your niece,
