“ *Dear Family,*

Your mom was like a sister to me not just by law. We had some great years together and I loved her brother, William so much. He was my lover, best friend and husband for almost 60 years. Your Mom and Dad were the reason we moved to Whittemore. I thank God that she was in my life all these years. What a joy it was to attend her 89th birthday party last January. May God truly bless all of the family. It was a blessing that Mark and I were able to spend sometime with her a month ago. Love, Aunt Dorothy and Mark
