“ I met Ralph in the late 60's, when we were in Elementary School. We were neighbors soon after, moving in just three doors away from each other. We played all the games we knew, together. He was a great baseball player who shared his knowledge to teach me how to not strike out as much. It worked. I hadn't seen Ralph much lately, but I've never stopped thinking about him, the love for my friend has never faded. God speed brother. John Paul

“ I will forever be grateful for Ralph Cox being a part of our lives. When i was younger he did so much for me. If it werent for him rushing me to the hospital when i was really sick with phenomnia i probably wouldnt be here today. Ralph was a part of our projects click! Our memories we all had together were the funnest days anyone could ever ask for! I remember being younger when he would bring his son over to play with us. I would swing him around lmao! He had so much fun! He was a great father to his son. Ralph did everything for everyone! If you asked, he did! Amazing man he was. We will always remember the good times Ralph! I pray you rest easy in heaven! You are with your mom and family now. No more pain. We will see you again in that next life ralphage❤️Give papa Norm and your mom a hug for me💖
