“ I worked with Randy at the Chrysler Tech Center for almost a year, and he was a great electrician, and a better man. It's hard to say that for many in todays world, but Randy was a kind, and wonderful man. May he rest in Peace, and may God bless his soul.

In Sympathy to his extended family and friends,

“ I worked with Randy several times at Chrysler and he was always a pleasure to be around. We reminisced about our years in the military service. I was a Navy nuclear submarine Vietnam era veteran and we always found plenty to talk about. I am sad that I lost a friend and I wish his family well. God Bless everyone.

Randy will be meeting our Daughter Angela in Heaven, I remember they were friends in High school. I worked with His aunt Kathy. So young and gone too soon. Loosing a child is the hardest thing you will ever do in this life. God's Blessings to Randy's family at this difficult time.

“ My family has known the Doyon family for quite some time. They are amazing neighbors and friends. My heartfelt condolences go out to them. Randy will be missed. Things just won't be the same now that we won't be seeing his smiling face.

“ *Being friends with his parents brought Randy into our life. He married my oldest daughter, Andrea, but unfortunately they divorced. I have never been so upset over a divorce, but theirs truly tore me up. He was such a great person, always smiling and happy. He then married Missy and they were always happy and on the same train of thought. He had a good life with loving parents, wife, and family. He will be missed but never forgotten and I know my Andrea is greeting him in Heaven. Love you Randy.*
