“ *Uncle Ray, you were always very good to our family and spent many holidays with my parents and those of us who might be home during those holidays. You always remembered our birthdays with a card. We were lucky enough to get 3 of your low mileage Buicks when you purchased a new one every 4 years. Nick is still driving the 2000. We will miss you and it won't be the same when we come to visit and you are not there. God Bless you forever in your Heavenly Home until we see you again!*
