“ *Becky was my sister in law for such a short time, but long enough to love her. She was always kind and thoughtful. I always enjoyed holidays together. Their family was small but incredibly strong and I was proud to be a part of it. She has left an empty spot in all of our hearts that no one will ever fill...*

“ *I have many great memories growing up with Becky. We had a lot of fun times together and of course got in trouble together. Finding hidden Christmas presents, Saturday night dances, and getting caught smoking at Bud & Barbs. Glad the last time we were together was such a happy event. (Bills Wedding) She was Loved & will be missed very much.*

“ I first met Becky when working as a temp at DHS on Oakland Avenue. We were both stationed in the reception desk area. She was bluntly honest, ethical, and a very hard worker.

Years later, I was being introduced around the FOC as the new kid, by Rhonda and Becky was filling in doing the mail, while Louise was off on disability. Rhonda introduced me to Becky and without missing a step to mess with the new person, she said, "You don't want to meet me - I'm a be--aaaaach!" She did not get the reaction of shock that she expected, when I laughed at her and said, "I remember you! I worked with you at DHS!!" It took her a minute to remember me...how hilarious it was.

Becky was awesome. She didn't mince words. One always knew where one stood with her. She was honest, trustworthy, efficient, funny, and just an all around great gal. She loved her partner, Bruce, and absolutely adored her children and grandchildren.

I am so saddened at the loss of such a great woman. I will hold my memories of Becky, dear to my heart. My love, thoughts, and many prayers go out to all of her family and good friends.
