“ Dick was like a father to me. He filled a void in my life after both my parents passed away. We had garage sales together, met for lunch, he came to the hospital when my son was born and attended my wedding reception and children's birthday parties and I looked to him for advise and knowledge. I was devastated Monday afternoon when I was informed he passed away. He was a great man and I will miss him very much.

“ I know I speak on behalf of the entire Blind Fish family when I say we truly enjoyed having him come in to visit. He was just always such a sweet, kind man with so many friends at the restaurant. It's such a sad loss to us all. Our thoughts and prayers are with the family. We will truly miss seeing Dick

“ He was consider an Uncle to me. I met him when he married my Aunt Shirley and have known him for many years. He was at almost every family function and is still considered part of our family. He was a very kind and gracious man and will be missed by all who knew and loved him. Denise Spencer

“ I met Dick nearly 14 years ago when he bought my house in Attica, and we remained in contact off and on through the years. He often shared the changes or updates he had made to the house and always made us feel welcome to visit any time.
He was a kind and thoughtful man, and I'm so glad I had the chance to know him. Our thoughts and sympathy go out to his sister and friends.

I worked with Dick for over 30 years, he was a hard worker, quite and got the job done. His love for flying was evident as we had many conversations about his adventures in the sky.

RIP and fly with the angels!!
