“ *I remember her as this wonderful, warm person. I went to school with Warner and sometimes we would stop at the house and she was always so kind to me and she treated her children so well. Always a smile and most likely a prayer too. She raised wonderful thoughtful children and I was blessed to have crossed paths with them. My prayers go out to you. It's a hard loss for those still here but a new beginning for Roberta. May God comfort you all.*
