“ I met Ronnie soon after he and my son Mark became best friends in 7th Grade... Ronnie had a sense of humor and wit that was endless... Always a smile on his face and when we ran into each other maybe a gesture he and I shared. When you talked to him it was obvious he was truly listening, never judged, just listened... Ronnie was special, a talented, kind, respectful and loving young man... My prayers go out to his family and friends... He left us way too soon.... Love ya Kid....
