“ I didn't know Ruth for very long but I was blessed to have been her helper for a short while. Ruth was an absolute sweetheart & I enjoyed listening to her stories about being the tuff cookie in the loan department at the bank who had no problem repoing your possessions if you failed to make your payments. My deepest sympathy to her family and loved ones..... Lori Perry

“ I will always remember playing dress up in her evening gowns and high heels, throwing notes down the laundry shoot, Merle Norman cosmetics, cottage cheese with salt and pepper, pickled beets and all the cookouts in the back yard. Flowers everywhere all over the yard and all her home remedies to keep the bugs away. Most of all I will always remember how no matter what I did, no matter where I was, she never judged me and always loved me unconditionally. Grandma I will miss you more than I can put in words, but I love you even more. You will always be in my heart .

Love, Christie

“ *Grandma Cooper. Bright red blush. Flip flops with flowers. Stripped tank tops Fanta orange soda and playing with Sparky while she cooked Barbequed chicken on the hibachi. Her pink bathroom and always feeling welcome. That's my Gram. Wish I didn't live so far away for so many years.*  
*Love you Gram, Tracy Dion*
