“ *Ruth was a generous loving person who I have fond memories of in my childhood in the 80s/90s. May she Rest In Peace. Sending my deepest sympathies to Jenny and Josh. It has been decades but I remember you both as young children. All my love.*

*Ruth acted as one of God's angels while on earth. I imagine she has now been elevated to be with Him in His everlasting kingdom in heaven. May her family and friends take comfort in knowing that Ruth is now able to rest In peace in God's loving arms.*

“ *We are so very sorry to hear about Ruth's passing. Our sympathy to her family and friends.*

*Ruth was such a dear person to our family when she worked at Guardian Angels and beyond. She felt such a close bond with our youngest son, Joe, when he was a small tyke. She loved taking him on special outings: to the zoo, circus, and plays. He loved her special attention and doting.*

*She is now in peace and enjoying the joy of her eternal reward. I will remember her with fond memories. What a special angel she was here on earth. God bless her.*
