“ *I and my family were very sorry to hear of your mother's death, Robert & Tom and your families and we were especially sorry that we were unable to attend her wake. Your mother had the best sense of humor and kept us laughing at the Scout meetings for parents when we were supposed to be "serious"! I will remember both of you and your parents for those fun Scouting times shared by both of our families! Take Care.*

“ I loved having her visit with us, I will cherish the fun times we had, going on the Ausable Queen river boat, bar-b-ques, garage sale, and black Friday shopping while I watched the grandchildren. You are truly missed by all. Love Wayne & Henrietta Fortney
