“ We have known Sandy for over 40 years and have shared many great moments and events. Weddings, graduations, birthday parties were all made better when Sandy was there and involved. Her talent for hospitality was unmatched. Two of our best memories was hosting Kirk's 30th birthday party which Sandy totally set up and our wedding, which Sandy and the Buckley family catered. For years after the wedding, people have told us what a great time was had, especially the meal.

We will miss you Sandy, and we find happiness knowing your legacy lives on through your talented and growing family.

Love, Marc, Anne Marie and Rachel Moses
