“ *I am so saddened to learn of Scott's passing. Scott was a friend at Michigan State and we lived on the same floor in our dorm. We lost touch a long time ago, but I remember him being a good guy with a good heart. My prayers go out to his daughter, family and friends...may you find some comfort in your memories of Scott and may God hold you up as you walk down this path. I will also say a prayer for my friend and remember the good times we shared at MSU.*

“ Scott and I spent a really cool day attending a Michigan State game together
He,s such a really big State supporter having had seaon tickets for years.
Anytime he stopped in at Macys of lakeside he always made it a point to stop and say hello and ask us former coworkers how we've been and share any news about him and his precious daughter
Thanks Scott
And God Bless. Michael Mikishko.

“ I have so many warm of memories working with Scott in Troy Adult Education. He was easy to talk with, cared about the lives of his students, and always up for an ice cream run during break time! I have been most impressed with his love and devotion for Sabrina. From her birth, Scott was a consummate parent - worrying about every aspect of her health and development. We had fun nights chatting about what she was doing at a specific age and how that corresponded to my own kids, years ago. Most recently, Scott and I kept in touch through Facebook, and his posts were fun - full of Sabrina and their most recent events. It dawned on me today that his posts were always positive, happy, and made me smile - much like his last "warning" to his mom from the hospital bed!!! I will truly miss those posts. Bless your heart, Sabrina - you have been a very lucky little girl to have a daddy who loved you and lived 100% for you. You are all in my thoughts.
