“ I got to know Scott as a student in my 7th Grade Science class. I also had the good fortune to be his coach. I have many many fond memories of Scott in the classroom and on the court. He was always one of my favorites due to his positive attitude, the way he brought out the best in those around him, his quick wit, and as many have mentioned...that smile! Gone far too soon, will be dearly missed, but never forgotten.

“ Oh the memories of Scott (or Phippen as my dad called him), don't know where to start. So many adventures in babysitting and family memories. From playing house (where he was always the baby or a pet), to adventuring in the woods. Slip N Slides (If you know, you know!!) to floating down the "river" in his snowsuit, and so many more! That boy with the itchy legs will definitely be missed! I'm so sorry Aunt Renee' and Uncle Terry for your loss, glad he is at peace now. Love you guys
