“ *It's been almost a year since you left us but yet it seems like yesterday! I miss you my friend but I know I will see you in Heaven someday. Corbin is doing well, working 2 jobs & still dating Samantha (I expect to hear a wedding announcement soon)! Carolann is doing well, she's been dating Caleb for over a year now, is doing well in school & is singing in the choir at church! I try to keeo in touch with Corbin & Carolann as much as I can but it's difficult. I wish we hadj one more hour, one more day, one more week, one more year with you but knowing you are free from the awful pain & savages of cancer keeps your beautiful memory alive. We miss you Shannon Bronson!

“ *I remember when I was at Shannon's house as a little girl for her birthday. We had water balloon fights and we played flashlight tag at night. I also remember that we wanted to play bloody Mary but everyone was too chicken to do it, but Shannon was the only one that wasn't scared. I will always remember what a great friend she was.*

“ My daughter was in Mrs. Bronson's class this year. She often spoke of Mrs. Bronson's beautiful smile and referring to her students as "little nuggets". Just know that Mrs. Bronson touched a lot of hearts at Holly Academy.

You Know we'll not Forget You,
as we Traveled Life Together,
Our time we Spent
Were Cherished So,
You Know That we'll Remember.

Your love of Life,
You shared with all,
Those Close enough to Know,
You are in Gods Hands Now,
& Wait your Time To Go.

You'll be that Ray of Sunlight,
That Kicks Our Stars of Pain.
