“ Just want to invite people who don't already know. If you would like in Memory of our Beautiful Pastor Sherry some are wearing the color blue. Does not have to be a specific color of blue, does not need to be clothing, it can be a bracelet, hair bow, pin, whatever you would like. Thanks everyone!

“ *The summer of 2016, I was healed of gallstones through a word of knowledge by Sherry and prayer agreement. I'd been suffering with severe pain for a week while home on vacation. I spent the night with my precious Aunt Sherry and Uncle Sam and they prayed for a good night's rest and for the first time since the pain originally hit I was able to sleep in and that pain drastically subsided from that day forward. As we were sharing the next day how to do a gallbladder flush God gave me the revelation to speak to the stones to dissolve. We rejoiced together for God's strategy for my healing. I recently had a scan of my gallbladder and it is still stone free! Throughout my life I have always been able to depend on the loving support and powerful prayer agreement of Aunt Sherry. She received ultimate healing and freedom from pain forever! Great is her reward! My love and prayers for Uncle Sam and those who remain. Looking forward to the ultimate family reunion.*
