“ *Lorrie, Jimmy, Marcie and Jeff,  
I was so sad when I heard about your mom. She was such a great lady and I thought of her as my best friend/second mom for many years. We had lost touch but I did run into her a few months ago and it was great to see her. I have a lot of good memories of the things we used to do together. Laying in the sun on the beach when we were supposed to be working, riding horses together, and her love for her home and her family. My thoughts are with you all. Take care of each other.
