“ I am remembering our 1985 "girls" trip to Chicago - and our 1984 "girl's" trip to Toronto. I still have the pictures. Boy oh boy do we look young. R.I.P. Bee.

“ "Bee" and I go way back to our silly teenage years, sort of. I was hanging out with Sharon and Linda Pease. Linda lived down the street from me and we were all friends. I wish I had gotten to know Bee better, but I do remember she was funny. I figured out how she got her nickname "Bee." She was always flying around their house, and was always coming in and out of the bedroom where we were chatting about boys mostly. I also remember the Howard's had a sheep in their back yard. Just one. I still haven't figured that out yet. It was quite a surprise to see her at one of my family reunions in Harrison MI and find out about her ties to my cousin Frank Majors. It had only been around 50 years or so since we last saw each other. It was a joy to sit and talk with her again. I was later saddened to hear about the health problems she was battling, and even sadder to hear she had passed away. My heart goes out to her family and friends. If I know Bee though, she's probably giving flying lessons to Gods angels.

“ *I am so sorry for hearing of our dear Bee's passing. She was a very special family member, and I loved her dearly. Her and I cleaned new construction homes together for many years and I had fun every single day while working. She was the sweetest lady! Jim and Jamie I am so sorry she loved you both with her whole heart. Justin and Jennifer she loved you two beyond words. She was so proud of you both. I know she is out of pain now, and smiling. She will be with us all forever. Love you all. Sandy*
