“ *Thank you to all who attended my Mom's funeral today. I will always remember your love and support. I think the service went exactly like my Mom would have wanted. Some religion, but nothing over the top. Lots of great memories and humor. It was a celebration of life, not super sad or sappy.*

Again, thanks to those who sent flowers, plants and/or cards. Thanks for the donations to DAV or MHS. Thanks for being there over the phone, text or via prayers and thoughts. Thanks to all of you from the bottom of my heart. ❤️🙏

My Mom is looking upon all of us from Heaven and I know she couldn't be happier. That fact alone really makes me feel so good. My Mom and I both say, "Love you much." ❤️🙏

“ *Helen Ann,*

Words cannot replace the spot in my heart that Aunt Shirley filled all the years that I knew her. I can remember many years back when Uncle Ben and Aunt Shirley would come over to our house for Holidays and many times to hang out with my Mom and Dad and played cards or went out. Things have changed a lot since then, I miss those times, things were easy, life was easy. After my dad passed, I remember Uncle Ben and Aunt Shirley being there anytime for my Mom and as sick as Uncle Ben was, he always tried to help out his family and his extended family until the day he passed, Aunt Shirley was made out of the same great stuff that Uncle Ben was made of and to both of them, family is more important than anything else in this world and they showed it. Aunt Shirley was a very generous person and I will miss getting her special greeting cards and hearing her laugh. I could always count on making her laugh about something, she had a good sense of humor, always did. We all are blessed to have known such a wonderful, Aunt, Mom and the real definition of a Lady.

Love,

John
