“ Dear Gail and Family. I just learned that Stan passed away. Please accept my sincere condolences. He was a good man and someone I enjoyed working with at the Southfield Police Department. I hope you are able to find comfort in the memories of him and the support of those close to you.

“ Stan was one of our very good frinds. We could always count on having a good time with Stan & Gail, whether at one of our homes , a casino, a restaurant for lunch or dinner. Stan always had a great story(or 2 or more) to tell- right down to the last detail! Tom still talks about their hunting trip out west. "great guy- great friend." He will be greatly missed. Gail, you know we'll be there for you- anything you need. Keeping you & your family in our thought & prayers. Love, Margaret & Tom Johnston

“ *I first met Stan back in 1980 when I joined the Southfield Police Department. I was assigned to Stan to be my first Training Officers. Over the time I spent with Stan, he continued to work with me, passing along his vast knowledge of police work. The most important thing I got from Stan was his friendship. A friendship I will value forever!*

Thank you Stan!
