“ 15 years our lives were for and about eachother. Just getting thru the ache of being apart during the weekday, just to be together, was excruciating. Just a regular workday, we hurt being apart. You are in ever fiber of my being, every thought, detail, everything. "Forever and after that" you always say. You saved me, we saved eachother. I've been saying "I love you", waiting to hear you say " I love you more". "Forever and after that".

“ Steven was our neighbor,so nice and friendly,we would chit chat know and then. I remember Steven working so hard on the small fountain in front of his home. There was a beautiful lilac bush out the door,we both loved the smell of lilacs. Steven was cutting the lilacs one day making a beautiful bouquet for his soul mate Christopher who he loved very much. Rest in Peace Steven we will miss you. Gods BLESSINGS.💔💔
