

Steven Michael Jakubiec

June 23, 1962 - December 31, 2024

Steven Michael Jakubiec, born June 23, 1962, passed away peacefully on December 31, 2024, surrounded by loved ones. Steven's remarkable life was defined by his love for family, his passion for the outdoors, and his dedication to his career.

Steven was the beloved father of Thomas Steven Jakubiec (Raeanna) and Jillian Margaret Jakubiec (Denny). He was a proud and loving brother to Rosemary Cairns and brother-in-law to Debbie Jakubiec. He was preceded in death by his parents, Florence and Thomas Jakubiec; his brother, Kenneth Jakubiec; and his brother-in-law, Michael Cairns.

Steven spent 35 years as a dedicated engineer with Chrysler, where his expertise and leadership skills left a lasting legacy. After retiring, he fulfilled a lifelong dream of living on a picturesque property in Fenton, Michigan, where he enjoyed his final months.

An avid outdoorsman, Steven's greatest joys were hunting, fishing, snowmobiling, golfing, playing pickleball, and traveling. Whether he was navigating snowy trails, casting a line into serene waters, or perfecting his golf swing, Steven found peace and fulfillment in nature. His adventurous spirit and love for exploration were infectious, inspiring those around him to appreciate life's simple pleasures.

Steven was also incredibly resourceful and served as the family handyman for his community. His ability to solve problems and lend a helping hand endeared him to all who knew him.

Steven's family and friends will forever remember his warm heart, unyielding strength, and the countless memories he created with those he cherished most. He will be deeply missed but never forgotten.

A celebration of Steven's life will be held on January 11 from noon to 4 p.m. at The Oakley, 11035 Fish Lake Rd, Holly, MI 48442. This will be an open house, with speeches scheduled at 3 p.m. In lieu of flowers, the family kindly requests donations be made to FIRST (For Inspiration and Recognition of Science and Technology), in honor of Steven's memory.

May he rest in eternal peace, reunited with those who have gone before him.

“ I am so sorry to learn of Steve's passing. I will always remember him as a passionate, positive, open, good man and an extraordinary boss. Although 10 years have passed since he left Turin, he is still remembered here as he left his mark on our hearts. He had a unique ability to integrate and bring people together, regardless of the language or cultural differences. My thoughts and prayers go to his loved ones. RIP Steve!

“ *Steve is a good man and leader who positively influenced me. He embodied what I consider the 3 key traits of a successful leader. Commitment, Trust and Care. He remained positive and enthusiastic during some dark days at Chrysler. I try to emulate his behavior and to this day take my team out every Christmas for sporting clays and a good burger.*

“ *Our week-long fishing trip was spectacular. We had so much fun in a beautiful area of Colorado - riding, hiking, fishing and hanging around the campfire. I added three photos but could have put in 300. Steve was the chef and we ate well. I miss him so much. Bob*

“ *I am so sorry to learn the news of Steve's passing. Hard to believe, he was always so full of life and good spirits. I have many great memories of Steve from the few years that I had the pleasure of working for him. I remember when he interviewed me to be a shared Admin Assistant (co-location) and how very serious the other manager was in the interviewing process and how easy going Steve was in comparison. I got the job and enjoyed being in that position working for Truck Interior and Truck BIW. When they used to do the Kid's Day at JTE, he had my son shadow him for the day. What a great guy! Always positive, giving advice about all sorts of subjects, easy to laugh. I haven't seen him in years, but for sure, the world has lost a great man. RIP Steve.*
