

## Steven Calvin Wilkerson

July 5, 2002 - August 22, 2017

Steven Wilkerson went home to be with our Lord and Savior on Tuesday, August 22, 2017. Steven was born July 5th, 2002 in Pontiac, Michigan. He leaves to mourn with loving memories his father David Wilkerson Jr., his mother Nicole Wilkerson, and his two sisters, Jordan O'Shaughnessy and Magdelene Wilkerson.

Steven grew up in Holly, Michigan where he attended Holly Schools from kindergarten at Patterson Elementary to a freshman at the Holly High School this past school year. From the time he could walk he loved playing outdoors where he loved playing in the dirt to collecting rocks. Anything outside from riding his bike to metal detecting, fishing, swimming. He also loved hanging out with his sister, Maggie, and playing video games with her. He was the kind of kid who wanted to make everyone laugh. He was outgoing and full of life. Steven was deeply loved and will be dearly missed. Funeral Mass will be celebrated at 10 AM Sat. Aug. 26, 2017 at Holy Family Catholic Church, Grand Blanc with Monseigneur Jerry Vinke, Celebrant. Interment will be in Evergreen Cemetery, Grand Blanc. A luncheon will follow at the Father Bush Parish Center of Holy Family Catholic Church. “ I've known this boy since 4th grade no not this whole time.. I had the same class, same teacher. He was one of the funniest guys in the class. Along with his best friend at the time.. I didn't even recognize him when I first heard everything.. I knew I heard the name from somewhere but couldn't put my finger on it. Then I seen a picture when he was younger and I completely lost it.. and went to my year book from 4th grade and found that boy in my class.. you will be dearly missed steven❤️😭💔Rip

“ I had the pleasure of knowing Steven and he was a good friend to my son Caleb Potter they were the same age same school and lived down the road. My family will always have a lot of good memories of Steven. Just a few of these memories are when Steven and Caleb would always try to find ways to make money especially tending to the neighbors lawns. Steven would always show up with his metal detector and I think they were convinced they would dig up a treasure. I remember one time we had to tell them to chill out with the digging cause we looked in the backyard only to see the boys had half the yard dug up lol. I was always partial to steven because of his allergies and asthma. He was allergic to almost everything ( poor guy) and i was always checking to make sure he brought his inhaler. The picture I put up was a beautiful spring day i picked up Steven and took the boys to the park to play basketball. I knew he loved basketball cause i would always see him and his dad playing in front of his house. This is just a few memories that come to mind Im incredibly sorry for your family's loss. My whole heart goes out to your family.

“ Steven was a good friend to my son Caleb Potter. They spent a lot of time together. I always loved when steven would come over. I know Caleb will always have good memories of steven and so will I. Just a few of those memories would include Steven and Caleb always trying to find ways to make money together, the two of them always riding bikes to the dollar store and when steven would always bring over his metal detector and see what they could find. I remember we had to tell them to chill out with that one time cause when we looked in the back yard they had dug about a 10 ft. Hole back there lol. I always had a soft spot for steven cause of his asthma and allergies. Steven was allergic to everything (poor guy) and I was always checking to make sure he brought his inhaler. Im so glad I had the pleasure of knowing steven my family will always remember and miss you.
