“ Sue and I have been dear friends since our husband's were ill in the 1990s and we met in a support group. Blessings Sue, and thank you for your friendship through the years. I will never step into the Clarkston Village Players without thinking of you.

“ I will miss Sue. For years I have looked over at her house at bedtime to make sure everything was all right. She would do anything for anyone when she was asked. She was one great friend and neighbor. The best. Sandy
