“ Just want to convey condolences to Sue's family on her passing. Sue was a customer of mine for years as her beautician and we had such a great relationship. We always said if we had the time outside the beauty shop we could be great friends. We had so many good times laughing and talking about "girl things" and family. Our children were about the same age but her grandkids came later than mine. I feel so blessed to have known her all those years and I know she is making everyone in heaven laughing and planning fun things! Loved her!! *Suanne Eichbrecht*
