

## Susan Rhea

February 11, 1951 - January 28, 2022

Susan Rhea, age 70, of Holly, MI died on January 28, 2022. She was a beautiful soul with a heart of gold. Susan was a great mother, grandmother and human being. She was a friend to so many. Her favorite color was purple and she enjoyed watching shows like America's Got Talent, The Voice and her all-time favorite show, Days of our Lives. Much like her favorite show, she took her days one at a time, a motto the family will never forget. Susan is survived by her daughter Tammy (Michael) Slate of Holly, MI, son Cecil Rhea of Detroit, 7 grandchildren, 3 great-grandchildren and one on the way. She was preceded in death by her parents Malcolm and Corla (Lewis) Patton. [www.dryerfuneralhomeholly.com](http://www.dryerfuneralhomeholly.com)

“ So filled with sorrow hearing of Sue's passing. My thoughts and prayers are with family and friends. I met Sue in chat, many years ago, and we became friends instantly. We learned together we had so many things in common, how could we not be besties. We shared a birthday, children of same gender and practically the same age. Many chats, and phone calls brought us closer . We both loved family, music and laughter..our greatest joys. I will miss her so much till we meet again. God bless and comfort Tammy and Cecil and the grandchildren and all those who loved her.
